THE AERO CLUB OF CANADA

INCORPORATED

AFFILIATED TO THE ROYAL AERO CLUB OF THE UNITED KINGDOM

EXECUTIVE OFFICES,
34 YONGE STREET
TORONTO

1919 Private

30th. December, 1919.

Sir Robert Falconer,
Toronto, Ont.

Dear Sir;-

Our Dominion, with the conclusion of peace, is entering upon the most important era of its existence, and in the development of the country one of the most important phases is that of aviation.

The very rapid development of aviation during the war has placed it in a peculiar position inasmuch that Canada cannot afford to neglect for a day the possibilities which aeronautics and aviation offer.

The Government must be supported by generous co-operation on the part of professional, commercial and other interests.

The Directors feel that the Aero Club of Canada is, by its charter, the logical organization to take very active steps in this direction.

Members of the Air Board and of its staff have expressed their sympathy with the efforts of the Club in awakening interest in aviation, and arrangements have been made to have some of them present at the dinner to be given by the Club at the King Edward Hotel on Friday, 9th. January, at 7.30 p.m.

The Directors have the honour to invite you to be present on this occasion to hear what has been done and the future policy of the Club, and to ask your advice as to the best ways and means of accomplishing it.

Yours very truly,

W. Baker

President.

THE AERO CLUB OF CANADA

ITS OBJECTS AND ACTIVITIES

OBJECT:

1. The Aero Club of Canada was incorporated in November, 1916, under Provincial Charter with the following objects:—

(a) To promote a social organization or club for the advancement and encouragement of the various forms of aviation;
(b) To advance the development of the science of aeronautics and kindred sciences;
(c) To encourage the manufacture of aeronautic devices, aerial navigation and conferences, expositions, congresses and contests in connection therewith;
(d) To issue pilot's licenses to such aviators as may be deemed sufficiently qualified by the Corporation;
(e) To encourage and assist those desirous of taking up aviation with a view that they may render service to King and Country in the present war, and
(f) To do everything necessary, suitable and proper for the accomplishment of any of the purposes or the furtherance of any of the powers hereinbefore set forth and to do every other act or acts incidental or appurtenant to or connected with the aforesaid purposes, provided the same be not inconsistent with the laws under which this Corporation is incorporated.

ACTIVITIES:

2. The work of the Aero Club is divided into the following branches:—

(a) Research.
(b) Public Aerodromes and Aerial Routes.
(c) Special Propaganda for the Development of Aviation.
(d) Formation of other branches and affiliation with other similar organizations.
(e) Finance.
(f) Co-operation with the Government or any organization interested in securing and maintaining the services of all returned aviators in the commercial development of aerial transportation and in the protection and defence of the country.

MEMBERSHIP:

3. The following are the grades of membership:—

Membership	Entrance Fee	Annual Fee
Returned ex-service men Navy, Army or Air Force (Resident)*	Nil	$10.00
Returned ex-service men (Non-resident)	Nil	5.00
Civilian members (Resident)*	$10.00	10.00
Civilian members (Non-resident)	10.00	5.00

*Within a radius of 30 Miles of Toronto.

MEMBERSHIP PRIVILEGES:

4. (a) Members of the Aero Club of Canada when visiting England or Europe are given membership privileges in the Royal Aero Club of the United Kingdom and those Clubs in the Federation Aeronautique Internationale, including the Aero Club of America, New York.
(b) Reciprocal privileges to members of the Aero Club have been accepted with the American Flying Club, the Aviation Club of Chicago and the Aero Club of Hartford.
(c) The Club Executive are at present negotiating with other aeronautical associations throughout Canada, and hope that members of this Club will soon have the privileges of these organizations. The success of these negotiations will be announced later.
(d) Free use of the Aero Club of Canada headquarters. The Club is now maintaining large furnished quarters with reading room, billiard tables, etc. Arrangements are being made to open luncheon and tea rooms. It is also hoped shortly to arrange for residential accommodation for out-of-town members.
(e) Lectures on aeronautical subjects will be given at such times as may be deemed advisable.
(f) Arrangements have been made with some of the established aerodromes for members to have flights at a very big reduction on the general tariff charges.
(g) A copy of the Club's official journal "Aviation News" is forwarded free to every member monthly.

Enclosed find application form for membership and renewal of membership. Endeavour to get at least one new member for the Club in order that we may progress.

If you are interested, send enclosed form completed with your remittance.

Dear Sir,

GROUP INSURANCE

The Aetna is the pioneer Life Insurance Company to introduce Group Insurance in Canada. We therefore briefly submit a synopsis of the plan for your consideration.

WHAT IS IT

A plan to benefit both employer and employee by increasing the morale and efficiency of the worker.

A means of insuring all your employees without medical examination - even those who cannot get regular life insurance.

Insurance payable at death or total permanent disability from any cause whatsoever.

WHAT IT DOES

Attracts and helps to hold the desirable classes of labor - employees hesitate to forfeit insurance benefits increasing with service.

Reflects interest in the worker and those dependent upon him.

Protects the employer from sudden demands for charitable relief.

Stabilizing effect on the workers results in benefits to both employer and employee.

WHAT IT COSTS

The cost is low - depending upon particular hazard.

Upon select risks at the average age of 35, the premium is $6.76 per thousand.

Further particulars and estimated cost of plan to insure your employees will be gladly furnished.

Yours very truly,

Johnson & Orr

Sir Robert A. Falconer,
The President, Board of Governors,
University of Toronto,
Toronto, Ontario.

Sir:

The Program Committee for the Canadian Industrial Congress, dates August 11 - 16, with principal or "educational" sessions at Calgary, Canada, on August 13 and 14, and with tour by special train commencing at Medicine Hat, Canada, August 11, have requested me to communicate with you, explaining that we would greatly appreciate your presence at this congress.

Subjects which will be dealt with here will have wide and specific interest to you and your institution, particularly those who have special interest in economic or trade subjects. Our speakers are chosen from among the most noted of the continent. The whole phase of Western industrial expansion will be dealt with and the relative subject of Oriental and Pacific markets for American and Canadian products.

I enclose an invitation form which has been sent to thousands of industrial leaders and which explains in part the purpose, plan and program for the congress.

May I urge that you attend if at all possible? If you cannot, may I ask you to use your influence to secure representation from your institution?

Special arrangements are being made to care for ladies where they accompany visitors to the congress.

Please drop me a line in advance of your coming that I may make special reservation for you.

Earnestly,

John M. McGreevy.

Congress Sessions at
Calgary, August 13-14

Congress Headquarters:
PALLISER HOTEL
Calgary, Alberta
CANADA

June 26, 1919.

Dear Sir:

You are invited to attend the Industrial Congress and Provincial Tour to be held in Alberta from August 11th to 16th, of this year.

The Congress will place before its visitors data in relation to the Natural Resources and Industries of Alberta and the Canadian West, with the object that serious consideration may be given the economic development of the trade of the Dominion, the extension of markets, Oriental and Pacific trade routes and generally the whole phase of the Western era now dawning.

Addresses will be given by the following men of international reputation:

Mr. E. W. Beatty,	President Canadian Pacific Railway Company
Mr. Henry Ford, Mr. John N. Willys,	President Willys-Overland Company
Mr. Augustus L. Searle,	General Manager Peavy Grain Company
Mr. D. B. Hanna,	President Canadian National Railways
Mr. A. R. Erskine,	President Studebaker Corporation
Mr. Harold McCormick,	President International Harvester Company

Mr. Robert Dollar,	President Dollar Steamship Company and Vice President National Trades Council of the U. S.
Mr. Joseph Oliver,	President Oliver Plow Company
Sir Edmund Walker,	President Canadian Bank of Commerce
Mr. Thomas Finley,	President Massey-Harris Company of Canada
Sir Clifford Sifton,	Late Chairman Canadian Conservation Commission
Mr. Finley P. Mount,	President Advance-Rumely Company
Col. J. S. Dennis,	Chairman Canadian-Siberian Trade Commission and head of C. P. R. Colonization Department
Mr. Hedley Shaw,	General Manager Maple Leaf Milling Company of Canada

In all probability Sir Robert Borden, Prime Minister of Canada, and Sir Thomas White, Minister of Finance, will attend and address the Congress.
In all probability Mr. Samuel Gompers will attend and address the gathering.

The delegates will assemble at Medicine Hat on August 11th and will be conveyed by special train to Lethbridge the following day, thence to Calgary where the two days session of the industrial congress will be held on August 13th and 14th, after which the journey will be continued to Edmonton, the capital city of the Province, where the delegates will be entertained by the Government and City during Friday and Saturday. That night the train will leave for Banff, arriving there Sunday morning. The delegates can then continue their trip through the Rocky Mountains or in such direction as they may desire.

We are sure that the visit will repay you and that the trip will be very enjoyable. You are no doubt familiar with the fact that August is usually a delightful month in Alberta, cooled as this area is at that time by breezes from the Rockies.

The people of Alberta desire that there be no lines of demarkation in Canada as between East and West. They hold firmly to the belief that the destiny of Canada is truly great, and that its greatness lies as well in the proper development of its industries and its natural resources as in its agriculture and other lines of endeavor. They believe in a United Canada of the future.

Kindly give us a line in advance of your coming, that we may make special arrangements for your trip in so far as possible. More than 20,000 invitations have been sent out and a number of manufacturers of your district have been invited to attend. If a sufficient number advise us in advance of their intention to do so we will arrange special sleeping-car accommodation from your district.

We earnestly desire your personal acquaintance, your co-operation and your presence at this Industrial Congress.

Yours very truly,

John M. McGreevy.

My dear Sirs:

I received Colonel Hazelton's book, "Canada's Sons and Great Britain in the World War", and have written him a note to thank him for the copy. I regret, however, that the pressing duties which will be insistent for the next six weeks at least will make it impossible for me to read the book until towards the end of the year. I leave to-night for Winnipeg and my correspondence will be full for some time. I hope to have the pleasure to give more attention to it however in the future.

Yours sincerely,

Dear Sir:

I am looking for a position teaching public-speaking at your university. As I understand you have no such department as distinct from the department of English; I am writing this to ask whether next fall you might institute such a department, and if so whether you would consider me as a teacher.

At present I am studying law here at Harvard, but will be thru Aug. 30th. I have attended Northwestern University, the University of Chicago and am a graduate of the University of Illinois; specializing while there in English and public-speaking. I am 26.

If you you can consider me in any way or suggest a similar position in Toronto, I will be glad to send you ~~further~~ recommendations and further information.

Dear Sir:

I am on the look-out for an Academic Training School somewhere in the boroughs of Quebec or Toronto - for some Pupils with an ordinary grammar school education.

Being a stranger to the schools of Canada I thought of writing you for advice and infor-

fact Professor I hope you will
be able to send me a list
of some schools for this purpose.
I shall be very thankful to
you for any help

Dear Professor Archibald:

We are about to appoint a lecturer or even one of higher rank to the Department of Rural Economics in the University of Toronto, and your name has been suggested to me as one who has been trained in this department, and as being likely to meet the needs of the situation. I do not know whether you are free to apply or whether you would care to look into the matter, but if you would, would you be kind enough to let me have an outline of the course you have taken, and a statement as to the general character of the economic instruction you think should be given ? I am now looking over the field, and am considering several names.

Yours sincerely,

President.

New York City.

Dear Madam:

I am rather at a loss from the terms of your letter to know exactly what type of school you wish and whether for boys or girls. In Toronto there are several Collegiate Institutes any one of which would give an excellent education to both boys and girls. They are:

Jameson Avenue Coll. Inst. Principal G. A. Smith.

Harbord Street Coll. Inst. Principal F. J. Hagarty.

Jarvis Street Coll. Inst. Principal J. Jeffers.

Bucharaine Coll. Inst. Principal Colpoys.

Malvern Avenue Coll. Inst. Principal Hanna.

Bedwood Collegiate Institute, Principal W. A. Gray.

Riverdale Collegiate Institute, Principal [illegible] Nicholl.

In Montreal the High School is a good one, but I do not know the name of the Principal.

Dear Mr. Ashall:

I have sent the letter which you signed together with Mr. Richardson on behalf of the draft of the University of Toronto O.T.C. to the Honourable Mr. Calder and I have told him that as far as I can judge you have a just claim and I have urged him to look into the matter. Hoping that you will be successful,

I am,
